CAPITOL ENERGY

Material Handling Equipment

Capitol Energy provides used, material handling equipment for various applications and industries. No matter the project size, we can source the appropriate equipment to get the job done for your warehouse, distribution center or facility. Our inventory is fluid and constantly changing with a large selection of forklifts, handlers, pickers, trucks, and lifts.

We offer several financing options to assist with the process of purchasing any of our used equipment. Whether it be one piece of equipment or an entire fleet, we have the right option to fit your needs. We carry all the trusted brands that you are familiar with and when you're ready to buy or sell, give us a call today to get a free quote!
